

Organization Name: City of Atlanta/AgLanta/Planning

Organization Contact Person: Elizabeth Beak

Contact Phone: 840-390-1635

Contact Email: ebeak@atlantga.gov

Organization Mission: Our goal is to ensure that 85% of Atlanta residents are within a half mile to healthy food by 2022.

Internship Semester: Summer 2020

Project Title #1: Fresh Food Access District Map

Keywords: Mapping, Outreach, Policy

SLS Priority Issue Areas: Community Health, Equitable Development

Project Background: The City is about to create a Fresh Food Overlay District. We will be mapping the change in fresh food access in this area. The SLS Intern helped lay the groundwork last summer.

Project Timeline: The bulk of the project will be completed over the summer.

Desired skills and qualifications: GIS, Community Engagement, Creativity

Deliverables: Fresh Food Access Map.

Project Title #2: Fresh Food Access Map

Keywords: Mapping/GIS, Community Outreach, Policy

SLS Priority Issue Areas: Community Health, Civic Data, Equitable Development

Project Background: The City is updating the Fresh Food Access Map to see if new policies are moving the needle towards the Mayor's goal of ensuring access to fresh, affordable food to 85% of Atlanta residents by 2022. This intern will work with DCP to collect data from the community and map any change.

Project Timeline: Map will be completed over the summer.

Desired skills and qualifications: GIS, Adobe, Community Outreach

Deliverables: Power Points with a Map.
