

Energy Systems for Sustainable Communities (ESSC) Fellows

Baabak Ashuri, Associate Professor	College of Design
Christopher Blackburn, PhD Candidate	Ivan Allen College
Fani Boukouvala, Assistant Professor	College of Engineering
Kate Pride Brown, Assistant Professor	Ivan Allen College
Jason Brown, Assistant Professor	College of Design
Claudio Di Leo, Assistant Professor	College of Engineering
Alice Favero, Lecturer	Ivan Allen College
Roger Jiao, Associate Professor	College of Engineering
Arkadeep Kumar, Ph.D. Student	College of Engineering
Michael Leamy, Associate Professor	College of Engineering
Jung-Ho Lewe, Research Engineer II	College of Engineering
Daniel Matisoff, Associate Professor	Ivan Allen College
Andrew Medford, Assistant Professor	College of Engineering
Kerri Metz, Research Faculty	Strategic Energy Institute
Neda Mohammadi, Postdoc	College of Engineering
Marcela Moreno, Research Project Coordinator II	Strategic Energy Institute
Bob Myers, Lecturer	College of Business
Matthew Oliver, Assistant Professor	Ivan Allen College
Kamran Paynabar, Assistant Professor	College of Engineering
Caleb Robinson, Graduate Research Assistant	College of Computing

Energy Systems for Sustainable Communities (ESSC) Fellows

Paul Rugambwa, Research Coordinator	College of Engineering
Greg Spiro, Senior Mechanical Engineer	Facilities Management Design & Construction
Supraja Sudharsan, PhD Student	Ivan Allen College
Germán Vergara, Assistant Professor	Ivan Allen College
Tim Welch, Assistant Professor	College of Design
Brian Woodall, Professor	Ivan Allen College
Eunhwa Yang, Assistant Professor	College of Design
Haomin Zhou, Professor	College of Sciences
